

## Summit (Cook & Cold)

Elegantly constructed to compliment any décor, be it a salon, kitchen or executive boardroom, the Summit gives "Drinking with Style" a whole new meaning. Specially created Crystal Cloths™ and cleaning solution Crystal Brite™ are perfect for cleaning and shining these stainless steel models.

### General

Available in Cook and Cold models, the Summit commands the look of style and elegance for any décor. Complete the classic look with a stainless steel bottle cover and the Summit water dispenser becomes "The Premier Cooler". Crystal Mountain's patented DryGuard™ system is standard on all Summit models offering complete comfort that your water will not end up on the floor due to a faulty bottle. DryGuard™ protects the hardwood floor or the plush boardroom carpet against faulty bottle causing water overflow. Not only will the Summit compliment your surrounding décor, it gives you peace of mind that the water will stay in the reservoir, regardless of the condition of the bottle.

| ITEM                     |              | SPECIFICATIONS   |
