

Avalanche

POU Water Cooler

The Avalanche Point-of-Use water dispenser is available in Hot & Cold and Cold Only models. Designed to fit conveniently on a kitchen or office countertop, the Avalanche proves that size doesn't matter. The compressor in this compact design provides exceptional cooling and runs very quietly. Featuring LED lights to indicate when the hot and/or cold water are at optimum temperatures.

Features

- Double mechanical float system for reliable operation
- Secondary float acts as a safety precaution by shutting off water supply
- Manual reset switch located at top of system for easy access
- Compressor operated for efficient water temperature recovery
 - * Green indicates normal function
 - * Red indicates the secondary float has been activated
- 5 micron air filter
- ¼ " inlet tube for connection to water supply
- PP Faucet with self closing handle
- Durable polyethylene cabinet comes with UV protection to prevent fading
- Removable drip tray
- Optional color in black and white
