

Glacier

The rounded cabinet and fluted front give the Glacier a classic Greek column design. While being esthetically pleasing, the polyethylene cabinet's smooth finish is easier to clean and refurbish. Featuring the patented **DryGuard™** no spill system, you're protected from faulty or damaged water bottles. Other features included are: two color choices, Energy Star rated and noise dampening technology.

Glacier: Hot & Cold

**Touch Guard®
hot water faucet**

Removable drip tray

**Hot water ON
and OFF switch**
