

## Everest

Crystal Mountain is taking cooling the waters of the world to new heights with the introduction of the Everest. Its sleek two toned aesthetic will enhance any space. The sturdy and ergonomic faucet handles are 7" higher than traditional units, which enables effortless dispensing. The removable side panels facilitate access to all electrical components for easy maintenance and servicing. The innovative removable reservoir and faucet assembly make the cleaning and sanitizing process quick and simple. Crystal Mountain proves that anything is possible when there is a drive to overcome all obstacles.
